

2nd EUROPEAN TECHNICAL
COATINGS CONGRESS 2014

VENUE

Gürzenich Köln
Martinstrasse 29 - 37
50667 Köln, Germany

CONGRESS DESTINATION

The 2000-year long history has had a strong influence on the cathedral city and made it what it is today - a vital and dynamic metropolis with a unique atmosphere. The Gürzenich - the name is derived from its former owner - became the representative and dance hall of the citizens of Cologne (15th century). After the renovation in 1997, the Gürzenich with its varied history and dignified overall impression, provides state-of-the-art event technology in combination with festive setting for stylish events. So we are looking forward to welcome you at this place.

LANGUAGE

The official language of the congress will be English.

EXHIBITION

The congress will be accompanied by an exhibition, where companies and institutes will present their latest products and industrial developments. For further information regarding the presentation of your own products, please contact:

VILF e.V. Geschäftsstelle, Eva Loschert
Phone: +49 9359 909164, E-mail: geschaeftsstelle@vilf.de

We highly recommend a visit to the exhibition. All exhibiting companies largely contribute to financing the congress!

INFORMATION ABOUT THE SCIENTIFIC PROGRAMME

Dr. Michael Hilt
Forschungsgesellschaft für Pigmente und Lacke e.V.

New Functions and Sustainability - Drivers for Future Coatings

3 - 5 September 2014

Gürzenich · Cologne · Germany

CALL FOR PAPERS

INVITATION TO COLOGNE

We kindly invite you to participate in the

2nd EUROPEAN TECHNICAL COATINGS CONGRESS

The congress will take place from 3-5 September 2014 at the Gürzenich in Cologne, Germany.

The congress is co-organised by the German Chemical Society, Division Paint Chemistry (Gesellschaft Deutscher Chemiker e.V. - GDCh, Fachgruppe Lackchemie) and the Association of Coating Engineers (Verband der Ingenieure des Lack- und Farbenfaches e.V. - VILF). The patronage of the ETCC is done by FATIPEC (Federation of Associations of Technicians for Industry of Paints in European Countries).

The theme of this 2nd ETCC congress is:

New Functions and Sustainability - Drivers for Future Coatings.

We look forward to meeting you in Cologne in September 2014.

Dr. Michael Hilt
President 2nd ETCC
President Division
Paint Chemistry

Ludger Küper
President VILF e.V.

Jozef Koziel
President FATIPEC

EUROPEAN SCIENTIFIC COMMITTEE (ESC)

Prof. Dr. Thomas BROCK (Chairman) (D, Lackchemie)
Prof. Pier Luigi BONORA (I)
Francois DEPRINS (BE)
Janos HAJAS (HU)
Prof. Dr. Eugene A. INDEIKIN (RUS)
Niki KOULOMBI (GR)
Dr. Bernard LESTARQUIT (F)
Dr. Wolfgang REISSER (CH)
Dr. Heinz-Günther SCHULTE (D, VILF)
Prof. Dr. Ing. Jaromir SNUPAREK (CZ)
Leo VAN DER VEN (NL)
Prof. Dr. Maria ZIELECKA (PL)

NATIONAL SCIENTIFIC COMMITTEE (NSC)

Dr. Michael HILT (Chairman) Forschungsgesellschaft für Pigmente und Lacke e.V.
Prof. Dr. Hans-Jürgen ADLER Pirna (corresponding)
Prof. Dr. Wolfgang BREMSER University of Paderborn
Prof. Dr. Thomas BROCK University of Applied Sciences Niederrhein
Dr. Matthijs GROENEWOLT BASF Coatings GmbH
Ludger KÜPER Dow Coating Materials
Dr. Rüdiger MERTSCH Evonik Industries AG
Dr. Hans-Ulrich MEIER-WESTHUES Bayer MaterialScience AG
Dr. Norbert PIETSCHMANN Institut für Lacke und Farben e.V.
Dr. Bernhard SCHULER BASF SE
Dr. Heinz-Günther SCHULTE BASF PCN
Prof. Dr. Bernd STREHMEL University of Applied Sciences Niederrhein
Dr. Hans-Joachim STREITBERGER Münster
Prof. Dr. Elke von SEGGERN University of Applied Sciences Esslingen
Prof. Dr. Jochen WINKLER Kerken

SUBMISSION OF ABSTRACTS

You are invited to submit contributions for oral or poster presentations related to the topics of "New Functions and Sustainability - Drivers for Future Coatings".

Please submit your one page abstract via the congress website, section "abstract submission". Please adhere to the guidelines for abstracts.

TOPICS OF PAPERS

- Advances in coatings and inks sciences
- Polymers, pigments and other raw materials
- Progress in production, application and processes
- Crosslinking and hardening
- New optical properties of coatings
- Corrosion protection
- Nano technology
- Saving resources
- Measuring and testing
- Functional coatings
- Biobased coatings
- Sustainability in the coatings field

DEADLINES

Abstract Submission	31 January 2014
Information on acceptance	April 2014
Early registration	30 June 2014
