# 5<sup>TH</sup> DZL INTERNATIONAL SYMPOSIUM

„NETWORKS IN LUNG RESEARCH“

JUNE 16 - 17, 2016  
CURIO-HAUS, HAMBURG, GERMANY

## WELCOME

You are cordially invited to the 5th DZL International Symposium („Networks in Lung Research“) which focusses on overarching aspects of different diseases of the lung as well as overlapping topics of three German Centres for Health Research and one Cluster of Excellence. We are pleased that we have our partners from the German Centre for Infection Research (DZIF), the German Centre for Cardiovascular Research (DZHK) and the Cluster of Excellence “Inflammation at interfaces” on board for this edition of the DZL International Symposium.

Join our symposium with renowned speakers from the areas of pneumology, infectiology, cardiology and inflammation research. It will also feature short presentations selected from submitted abstracts, as well as three interdisciplinary poster sessions. One focus of this symposium will be on overarching aspects and co-morbidities.

Klaus F. Rabe, Heinz Fehrenbach,  
Matthias Kopp, Peter Zabel
