## WELCOME NOTE

Dear colleagues,

From 29<sup>th</sup> to 30<sup>th</sup> November, 2012 the 7<sup>th</sup> Fraunhofer Life Science Symposium Leipzig together with the 7<sup>th</sup> Annual Congress of the German Society for Stem Cell Research (GSC) will take place in Leipzig, Germany. The Symposium wants to view the topic of

### **"Stem Cells and Clinical Applications".**

More and more stem cell research is becoming relevant for clinical applications. We want to invite you to present your scientific work in the fields of basic and applied stem cell research as well as clinical experiences. Meet renowned keynote speakers as well as other scientists from the exciting field of stem cell research. This symposium offers you the opportunity to hear about and discuss new scientific developments, encounter new people, and meet old friends and colleagues. With the industrial exhibition you will surely find a good platform to communicate your expectations and needs for your research with business partners.

We are looking forward to meeting you in Leipzig!

Yours sincerely,

Prof. Dr. Frank Emmrich  
Conference President

Prof. Dr. Jürgen Hescheler
