Farm Education Impulses for Research and Practice

Second Conference of the Academic Initiative on Farms as Sites of Learning, 2013

11-13 November, 2013 // Katholische Akademie Stapelfeld (Cloppenburg)

Invitation Einladung

We would like to invite you to our Conference „Farm Education - Impulses for Research and Practice“ which will be held at the Katholische Akademie Stapelfeld in Cloppenburg (Lower Saxony) November 11-13, 2013. The conference is initiated by the University of Vechta, the project „Creating Transparency“, the German Federation for the Farm as a Place of Learning (BAGLoB) and MTT Agrifood Research Finland.

Wir möchten Sie herzlich zur Tagung „Lernort Bauernhof - Impulse für Forschung und Praxis“ einladen, die auf Initiative der Universität Vechta, des Projektes „Transparenz schaffen“, der Bundesarbeitsgemeinschaft Lernort Bauernhof (BAGLoB) und MTT Agrifood Research Finland vom 11.-13.11.2013 in der Kath. Akademie Stapelfeld stattfindet.

Objectives of the conference Ziele und Themenschwerpunkte der Tagung

The conference will provide a forum for exchanging knowledge and experiences on farm education between actors from science, practice and advisory services on international level. The aim is to promote the understanding and development of farm education as a practice and as a scientific approach through a shared dialogue.

A wide range of issues of farm education will be discussed in order to get insight in different perspectives and fields of research as well as an overview of various learning forms. Also the local, regional, national and international networks on farm education and their funding structures are topics of interest.

Die Tagung möchte ein Forum zum Austausch über das Lernen auf dem Bauernhof zwischen Vertretern aus Wissenschaft, Praxis und Beratung auf internationaler Ebene eröffnen. Ziel ist es, sich durch den gemeinsamen Dialog gegenseitig Impulse zur Weiterentwicklung und Stärkung des Lernortes Bauernhof zu geben. Dabei soll ein breites Themenspektrum zum Tragen kommen, um sowohl einen Einblick in verschiedene Perspektiven und Forschungsfelder zu gewinnen als auch einen Überblick über unterschiedliche Angebotsformen, Netzwerk- und Förderstrukturen zu erhalten.

Conference Convenors Tagungsleitung

Bernd Kleyboldt, Environmental Education Centre Oldenburger Münsterland
Johanna Schockemöhle, University of Vechta and BAGLoB
Pia Smeds, MTT Agrifood Research Finland

Directions Anfahrt

Mit dem PKW
Die Katholische Akademie Stapelfeld liegt 5 km südwestlich von Cloppenburg. Bitte beachten Sie das Schild „Katholische Akademie Stapelfeld“ an der B213. Wenn Sie die Autobahn A1 benutzen, nehmen Sie die Abfahrt Cloppenburg. Bitte fahren Sie Richtung Cloppenburg auf der B72, die in die B213 übergeht. Nach 19,5 km in Fahrtrichtung Lingen erreichen Sie Stapelfeld.

By Public Transport Mit öffentlichen Verkehrsmitteln

From the airports Münster/Osnabrück and Bremen public transport can be used to get to the next main railway station. By train you will be able to get to Vechta or Cloppenburg, from where a shuttle service will be provided. Please inform us about your need of transport from Vechta or Cloppenburg when registering. Von den Flughäfen Münster/Osnabrück und Bremen erreichen Sie den jeweiligen Hauptbahnhof bequem per Bus. Vom Hauptbahnhof aus fahren Sie zu einem der Bahnhöfe in Vechta oder Cloppenburg. Ein Shuttle-Service wird dort für Sie eingerichtet sein. Bitte geben Sie einen Abholwunsch im Anmeldeformular an.

Programm - Programme

MONDAY // 11 NOVEMBER, 2013

- 10.00
-18.30 // Registration desk open
- 12.30 // Lunch
- 14.00
- **Welcome and Introduction**
Bernd Kleyboldt, Johanna Schockemöhle and Pia Smeds, conference convenors
 - **Who is Who - Introduction of the participants**
 - **Welcome to Lower Saxony - Presentation of the farm education-project „Creating Transparency - from the counter to the producer“**
Horst Brockhoff and Hans-Joachim Meyer zum Felde, project coordinators
 - **„Farm School“ or „School Farm“ - How do the different perspectives influence students' learning?**
Christina Lundström and Magnus Ljung, Swedish University of Agricultural Science
- 15.30 // Coffee
- 16.00
- Plenary Session: Using the farm as learning environment - possibilities for rural areas**
Johanna Schockemöhle, University of Vechta and BAGLoB, Chair
- **Lernen auf dem Bauernhof - Erzeuger und Verbraucher im Dialog** [*Learning on the farm - producer and consumer in dialogue*]*
Welcoming Speech by Christian Meyer, Lower Saxony Minister of Food, Agriculture and Consumer Protection
 - **Requirements for today's teacher training - relevance of rural education**
Welcoming Speech by Marion Rieken, Vice President of the University of Vechta
 - **The importance of a school farm stay for pupils' interest in agricultural topics**
Malte Bickel and Susanne Bögeholz, Georg-August-University Göttingen
 - **Developing Farm Education through regional courses**
Erling Krogh and Linda Jolly, Norwegian University of Life Sciences
- 18.30 // Dinner
- 19.30
-20.30 **Exhibition: Regional examples of farm education**

TUESDAY // 12 NOVEMBER, 2013

- 8.30
-18.30 // Registration desk open
- 09.15
- Session 1: Farm Education and Social Work**
Christina Lundström, Swedish University of Agricultural Science, Chair
- **Social farming: a part of professional social work in rural areas**
Christine Meyer, University of Vechta
 - **Farm based education as a key player in including adults with special needs on the labor market**
Carsten Ørting Andersen, Groen Omsorg
 - **Learning as a competence in social farming**
Benjamin Graef and Wouter Joop, Ulmus Projectrealisatie
- 09.15
- Session 2: Farm Education and Schools**
Ulrich Hampl, BAGLoB, Chair
- **Hands on food activities and learning communities at school - case insights from Denmark**
Dorte Runge, Pernille Malberg Dyg et al., Aalborg University
 - **Vocational Education in agriculture - why we need farms as places of learning**
Jens Hepper, BBS II Northeim
 - **Entwicklung, Erprobung und Evaluation eines Trainingsprogramms für Lehrer-Landwirt-Tandems** [*Development, trial and evaluation of training programmes for teacher-farmer-tandems*]*
Lars Paschold, University of Vechta
- 09.15
- Session 3: Farm Education - Enhanced Perspectives**
Linda Jolly, Norwegian University of Life Sciences, Chair
- **Farm Education and its educational value - a case study from Finland**
Pia Smeds, MTT Agrifood Research, Finland
 - **Extended school day education - An empirical study on the development of programmes of cross-disciplinary afternoon education activities**
Carolin Duda, University of Vechta
 - **Nature Experiences on educational farms**
Hannah Schirm, University of Eberswalde
- 09.15
- Workshop 1: Elderly People and Farm Education**
Heike Delling, Justus-von-Liebig-University Gießen, Chair
- **Elderly People and Farm Education: sensible target group or neglectable underpart?**
Introduction to the topic by Heike Delling, Justus-von-Liebig-University Gießen
- Central questions of the workshop: Which central features*

characterise successful offers for elderly people on a farm as a learning site? // How do pragmatists enter the farm as a learning site? // Which assistance is required for elderly people? // What can be done by actors from science, practice and advisory services?

12.00 // Lunch

13.00
-16.30

Field Trips: Farm Education in Practice

- a) **Hen keeping and egg production - about pupils learning on a poultry farm**
Thale Alfs, Kreislandvolkverband Oldenburg
- b) **Where does our Schnitzel come from? About children and young people inquiries on farms with conventional pig keeping**
Maria Bahlmann, LAUB e.V. and Benno Klostermann, Farmer in Cloppenburg
- c) **Learning and preserving - use of a traditional cultural landscape as learning environment**
Esther Barth, RUBA e.V. and Jürgen Göttke-Krogmann, Farmer in Löhne
- d) **Changes in agriculture: from the farmer to the producer of energy - pupils search on the farm for traces of a new future**
Bernd Kleyboldt, Environmental Education Centre Oldenburger Münsterland, and Markus Wienken, Farmer in Stapelfeld

16.30 // Coffee

17.00 Reflection and Evaluation of the field trips

18.30 // Dinner

19.30 Open Stage

WEDNESDAY // 13 NOVEMBER, 2013

10.00
-18.30 // Registration desk open

- 09.15
- Plenary Session: Networks in farm education - case studies and lessons**
Pernille Malberg Dyg, Aalborg University, Chair
- **Constructing regional education networks in the field of farm education - experiences and best-practices**
Gabriele Diersen, University of Vechta

- **Farmvisits of schools in cooperation with farms and schools and local farmers unions in North Karelia**
Maija Krakainen, Regional Union of Agricultural Producers in North Karelia
- **Schule am Bauernhof - wie wird ein Netzwerk 15 Jahre alt?** [*School on the Farm - How does a network become 15 years old?*]*
Lisa-Marie Kaufmann, Federal Ministry for Agriculture, Forestry, Environment and Water Management, Austria

10.15
-10.30

// Coffee

- **Farm Education-Networks in Sweden**
Christina Lundström, Swedish University of Agricultural Science
- **Farm Education - A case study from Norway**
Linda Jolly, Norwegian University of Life Sciences
- **The Danish Farm Education Network**
Carsten Ørting Andersen, Groen Omsorg
- **Driving factors for successful networks**
Plenary discussion

12.00 // Lunch

13.00
-16.00

- Workshop 2: International cooperation in research and practice of farm education**
Pia Smeds, MTT Agrifood Research, Chair
- In this workshop, we will be networking and discussing different joint international, as well as national, project possibilities and their themes. This workshop is for both practitioners and researchers in farm education.

14.30 // Coffee

16.00
-16.30 **Farewell reception**
