

Submit your research work

Photonics21 Student Innovation Award 2016

Application deadline: 15 January 2016

For the seventh time Photonics21 announces the *Photonics21 Student Innovation Award*. The award promotes excellent photonics research works with a high industrial impact.

The prize will be presented at the Photonics Public Private Partnership Annual Meeting, which will be held in Brussels on the 1st and 2nd March 2016.

If you are under 35 and are active in the field of optics and photonics you can apply for the Photonics21 Student Innovation Award. The award consists of a certificate, a trophy and a prize of €5,000.
