

OPEN FACULTY - LECTURE SERIES

Civil Engineering, Architecture and Urbanism

The Faculty of Civil Engineering and Architecture of the University of Applied Sciences Lübeck (LUAS) is organising an open lecture series for refugees, students of LUAS, professionals and all other interested persons.

The Open Faculty will provide opportunities for academic exchange and activities between refugees, students and professionals as well as first insights in the academic life at the LUAS.

Starting from December 2015 the lectures will cover various aspects of the field of studies of Civil Engineering, Architecture and Urbanism.

The lectures series will be given in English. The lectures will take place on a weekly basis on Monday from 6.00 pm to 7.30 pm at the Public Lecture Hall Building 14, Stephensonstr. 1, Lübeck.

Further information can be found on:
