

INVITATION

The Future of High Tech is about bringing top talent, great ideas, world class technologies and leading investors together to create solutions for our global challenges

- Would you like to meet and listen to great high tech entrepreneurs?
- Would you like to meet international investors who could help you develop your company into a global player?
- Would you like to know which emerging high-tech companies you really must invest in?
- Would you like to foster new international relations?
- Would you like to get personal advice from leading international entrepreneurs whose companies were once small startups too?
- Would you like to attract and recruit top talent in the field of High Tech?
- Would you like to find out all about the latest technological innovations at our demo market?
- Would you like to be brought up to speed on the latest scientific insights?

Investing your time in this event could very well be the best investment in your company's future you have ever made!

MEET OUR INSPIRING SPEAKERS

Chris Anderson

DIY Drones

Ray Quintana

Cottonwood Technology Fund

Dr. Detlef Pohl

Siemens Venture Capital

Vint Cerf

Google

Carlien Roodink

CrowdfundingHub

and
others

Get inspired by key speakers such as Chris Anderson during the event and immerse yourself in the Twente high-tech entrepreneurial ecosystem. You will be introduced to the latest technological developments, have one-on-one talks with entrepreneurs from high-tech startups and scale-ups and top scientists on the latest scientific insights and trends. More importantly, you will establish international connections and expand your network, actively facilitated by the event organizers. In this way, we will succeed in marketing relevant technology and finding solutions for global challenges together.
