

# 11. COFRESCO FORUM ROUND TABLE

„CLOSING THE SUSTAINABILITY CIRCLE: PROTECTION OF FOOD WITH BIOBASED MATERIALS – HOW CONSUMERS BENEFIT FROM NEW MATERIALS AND RESEARCH”

Thursday, 16 November 2017, 9.30 am, Leibniz Institute for Agricultural Engineering and Bioeconomy (ATB) Potsdam, Germany

## AGENDA

- 9.30 – 10.30 Reception, registration
- 10.30 – 10.40 Welcome by Dr. Joachim Venus, Leibniz-Institut für Agrartechnik und Bioökonomie e.V. (ATB)
- 10.40 – 10.50 Introduction to the topic by Martin Rogall, Cofresco Forum
- 10.50 – 11.20 Overview Biobased (P)LA from Various Raw Materials/Residual Materials, Dr. Venus, ATB
- 11.20 – 11.50 Sustainability and Packaging – Dream Wedding or Conflict?  
Dr. Hermann Onusseit, Onusseit Consulting, Haan
- 11.50 – 12.20 Biobased Packaging Materials and Coatings with Additional Active Components,  
Dr. Emanuel Duquesne, Materia Nova, Belgien
- 12.20 – 12.50 Overview on Innovations/Research Areas Regarding (Biobased) Packaging Materials for Food Contact  
Prof. Artur Bartkowiak, Center of Bioimmobilisation and Innovative Packaging Materials (CBIMO),  
Westpommersche Technische Universität Stettin, Poland
- 12.50 – 13.50 Break and snack
- 13.50 – 14.20 Overview of Conservation Methods: Plasma, Indicators, MAP, Dr. Schlüter, ATB
- 14.20 – 14.50 New Biobased Polymer Materials – Candidates for Food Packaging?  
Prof. Andreas Greiner, University of Bayreuth, Faculty for Macromolecular Chemistry II
- 14.50 – 15.00 Summary and outlook, Martin Rogall, Cofresco Forum
- 15.00 – 15.15 Discussion/ photos/ break
- 15.15 – 17.00 Practical session ATB
- 17.00 Buffet/Get-together

---

Chairperson: Prof. Dr.-Ing. Hans-Josef Endres, Institute for Bioplastics and Biocomposites (IfBB), Hanover University, Germany

The conference language is English.

After the tour, you are cordially invited to network with speakers and other attendees during a casual get-together.  
We look forward to welcoming you!

Further information is available at [www.cofresco.de/de/sites/forum.html](http://www.cofresco.de/de/sites/forum.html).

Registration deadline is 9. November 2017
