Mobile Cultures and Societies: A Decade of Interdisciplinary Mobility Studies at the University of Vienna

Final Symposium of the Research Platform Mobile Cultures and Societies

The Research Platform "Mobile Cultures and Societies: Interdisciplinary Studies on Transnational Formations" is pleased to announce that the final symposium "Mobile Cultures and Societies: A Decade of Interdisciplinary Mobility Studies at the University of Vienna" will take place on the 5th and the 6th of October 2023.

We are glad to welcome Prof. Heidrun Frieze as a keynote speaker! She will discuss the "Ambivalent Mobilities" on the 5th of October at 6 pm. On the second day of the symposium, doctoral students of the platform will present their preliminary research results. We will conclude the event with the panel discussion "Potentials and Challenges for Future Interdisciplinary Mobility Studies Research" at 4pm.

Talks and keynotes will take place at Schreyvogelsaal. During the breaks we cordially invite the participants to refresh themselves at our buffet at Jura Soyfer-Saal.

We kindly ask all participants to register for the symposium via the following link:
