Research Data Day

June 18, 2024

9:00 - 15:00

Information booths

📍 *Glashalle, University of Bremen*

Talks & Workshops

📍 *SuUB, University of Bremen*

**Information
& registration**

www.research-data-day.de

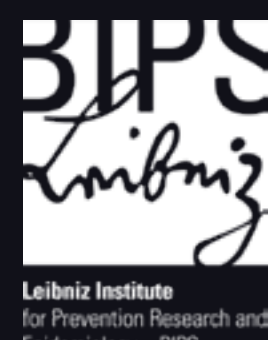

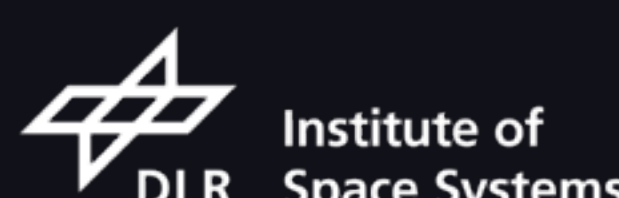

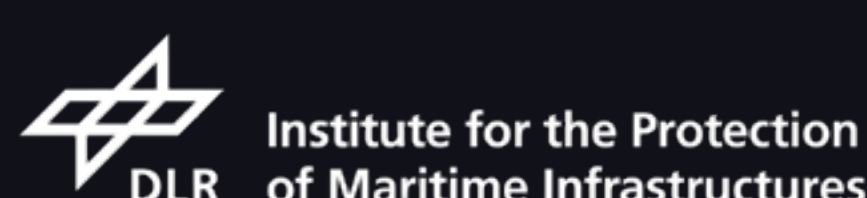

from 17:30

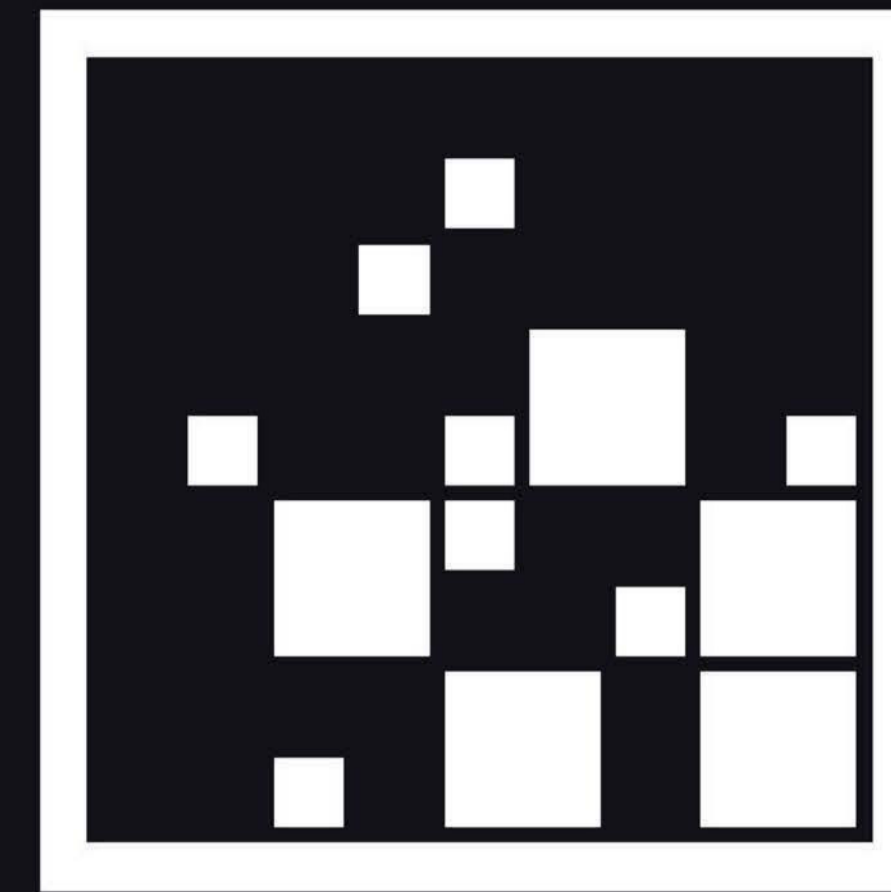

Evening event with talks & panel discussion

📍 *Haus der Wissenschaft, Bremen City Center*

U Bremen Research Alliance cooperation partners:

Research Data Day June 18, 2024

UBremen
Research
Alliance

Talks: 📍 Room 1140

Talk 1
09:00-09:45

Improving record linkage for health research in Germany
Dr. T. Intemann (Leibniz BIPS) & Dr. S. Kloep (KKSBB)

Talk 2
10:00-10:45

Collaborative creation and management of FAIR metadata in field research
C. Backe (DFKI)

Talk 3
11:00-11:45

What happens to all the data? On the importance of data availability in biology
Dr. B. Ebert (GFBio e.V.)

📍 SuUB, University of Bremen

Talk 4
12:00-12:45

DSMZ digital diversity
Dr. J. Koblitz (DSMZ)

Talk 5
13:00-13:45

Sharing qualitative research data with Qualiservice
Dr. S. Prepeliczay & M. Leichtling (Qualiservice)

Talk 6
14:00-14:45

Digitalization in museums
Dr. A. Reis (DSM)

Information & registration
www.research-data-day.de

Workshops: 📍 Room 1220

Workshop 1
09:00-10:30

Digital humanities – introduction, data sources, exercises
Dr. M. Nölte (SuUB)

Workshop 2
11:00-12:30

Economic research data – needs, sources, current developments (in German)
Dr. U. Staroske & Dr. M. Nölte (SuUB)

Workshop 3
13:00-15:00

Let's play Lego®! Experience reproducible research in a practical way
H. Thöricht (DSC)

World Café: 📍 Room 1350

World Café
10:30-13:00

Joining tables: cultivating best practices in research data management across disciplines
Leibniz ZMT, Leibniz BIPS, Fraunhofer IFAM, Leibniz IWT, MAPEX

Information booths

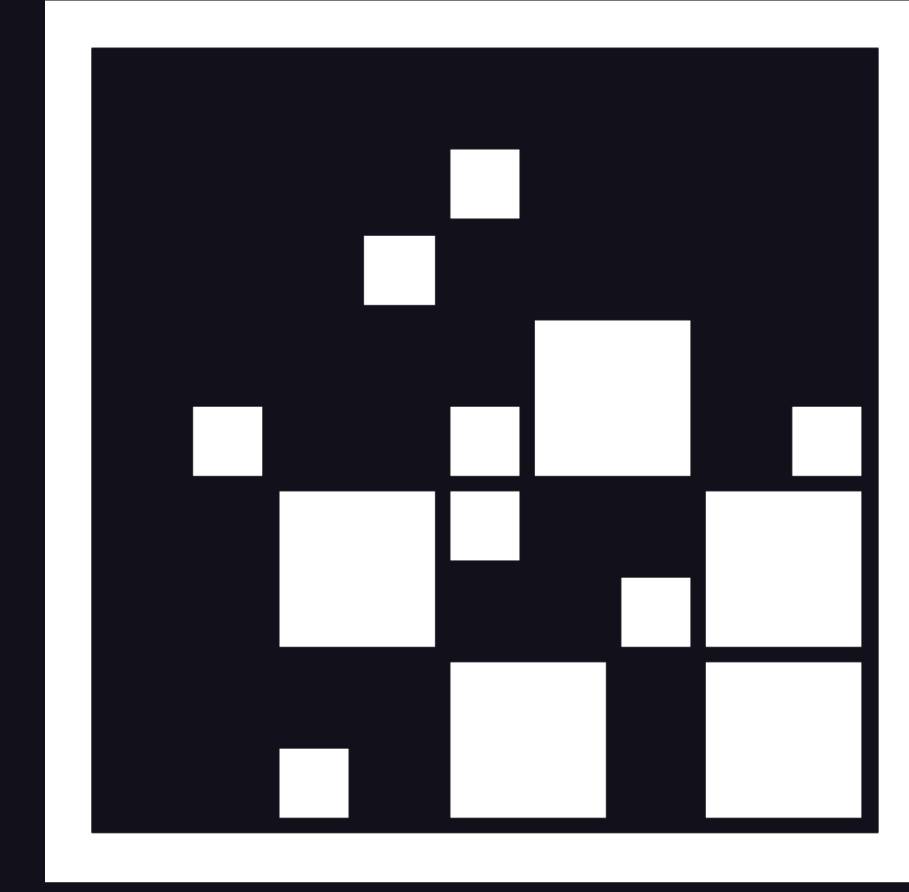

📍 Glashalle, University of Bremen

Join us and explore a variety of research data initiatives and interdisciplinary best practices!
