

EXCLUSIVE MEDIA INVITATION

# ZEFES SYMPOSIUM

25.02.2026

Zeebrugge, Belgium

Join us for a landmark moment as we celebrate a major milestone in the electrification of intermodal cross-border long-haul freight transport.

## What to Expect

Experience exclusive live demonstrations:

- Battery-electric vehicles up to 64t GCW
- Megawatt Charging Systems (MCS) delivering up to 1.2 MW
- Battery-electric dolly for automated yard operations and EMS configurations

## Programme – 25 February 2026

- 09:00 – Conference, ABC Tower, Harbour Zeebrugge
- 13:30 – Live demonstrations, ECS site, Zeebrugge

## Embargo Notice

Coverage and publications must remain under embargo until 26 February 2026.
