 June 21st, 2012 09.30 - 15.45 hrs

VENUE

Exhibition Grounds of Messe Frankfurt GmbH
Exhibition Hall 4.0, Room Europa 2
Ludwig-Erhard-Anlage 1
60327 Frankfurt am Main
Germany

REGISTRATION AND REGISTRATION FEE

The final programme and online-registration will be available at <http://kongress.achema.de/bioeconomy>.

Since this conference is part of ACHEMA, no separate fee is charged. The ACHEMA ticket includes access to this conference, ACHEMA exhibition and ACHEMA congress and is valid for the whole duration of ACHEMA (18th to 22nd June 2012). The registration fee for ACHEMA is for...

employees in...	Fee
universities, public authorities, associations	EUR 60,-
industry, trade & commerce	EUR 80,-

As the number of participants for this conference is strictly limited, separate registration is absolutely necessary. The places are allocated on a strictly first come, first served basis.

INVITATION AND PROGRAMME

European Bioeconomy: 

**From Knowledge via Demonstration
to Products and Markets**

20th to 21st June 2012

Frankfurt am Main, Germany

<http://kongress.achema.de/bioeconomy>

JOINT EVENT OF

TOPICS AND SPEAKERS

WEDNESDAY, JUNE 20TH, 2012

Day 1, Wednesday, June 20th, 2012

Part 1 Towards an European Bioeconomy and Horizon 2020: the framework

Introduction **H.J. Wernicke**, DECHEMA e.V., Frankfurt am Main/D

Bioeconomy – implementation at a European level

M. Rute, EU DG Research and Innovation, Brussels/B

EU-Innovation Partnership for Agriculture: Agricultural productivity and sustainability **M. Scheele**, EU DG Agriculture, Brussels/B

How to accelerate the development of the markets for bio-based products in Europe – Lessons learned from the Lead Market Initiative, and future directions

H. van Eijl, EU DG Enterprise and Industry, Brussels/B

Agricultural perspective of BioEconomy

C. Neumann, Federal Ministry of Food, Agriculture and Consumer Protection, Berlin/D

Position of the French Ministry of Agriculture

E. Giry, Ministère de l'Agriculture, de l'Alimentation, de la Pêche, de la Ruralité et de l'Aménagement du territoire, Paris/F

Perspective of the BMBF, Nationale Forschungsstrategie

Bioökonomie 2030 **H. van Liempt**, Federal Ministry of Education and Research, Berlin/D

Part 2 Feedstock availability and the value chain

Introduction **A. Schütte**, Fachagentur Nachwachsende Rohstoffe e.V., Gülzow-Prützen/D

The role of agriculture as supplier for industry

H. Born, Deutscher Bauernverband e.V., Berlin/D

Investment for the future: renewable biological resources

C. Luguel, Industries et Agro-Resources (IAR), Laon/F

Bio-waste as feedstock **J. Williams**, UK's National Centre for Biorenewable Energy, Fuels and Materials, York/GB

Industrial side streams provide competitive carbon sources to the bioeconomy **A. Marx**, CLIB2021, Stuttgart/D

Getting biomass from the field on site – avoiding harvest losses by good logistics **M. Schäfer**, Südzucker AG, Mannheim/D

TOPICS AND SPEAKERS

WEDNESDAY, JUNE 20TH AND THURSDAY, JUNE 21ST, 2012

Part 3 Conversion of biomass: biorefineries

Introduction

C. Rupp-Dahlem, Association Chimie du Végétal (ACDV), Puteaux/F
Germany: Leuna **T. Hirth**, Fraunhofer IGB, Stuttgart/D

Italy: Third generation biorefineries as opportunity for local competitiveness: The Matrica Project **C. Bastioli**, Novamont SpA, Novara/I

The Biobased economy in Flanders, Belgium: Government incentives and industry investments **W. Dhooge**, FlandersBio, Gent/B

Day 2, Thursday, June 21st, 2012

France: Illustration of three biorefineries: today and tomorrow

J.-M. Chauvet (Agro-industrie Recherches et Développements, Pomacle/F), **J.-F. Rous** (Sofiprotéol, Paris Cedex/F), **C. Rupp-Dahlem** (Roquette, Lestrem/F)

Round table European biorefineries with speakers of this session

Moderator: C. Rupp-Dahlem, ACDV, Puteaux/F

Part 4 Via demonstration to products and markets

Introduction **D. Wittmeyer**, European Renewable Resources and Materials Association (ERRMA), Brussels/B

Bio-based products: Experiences and recommendations from the Lead Market Initiative **P. Schintlmeister**, LMI Advisory Group, Vienna/A

Bio-based lubricants **R. Luther**, Fuchs Petrolub GmbH, Mannheim/D

Bio-based plastics **F. Aulenta**, BASF SE, Ludwigshafen/D

Bio-based polyamides **D. Silagy**, Arkema, Colombes/F

Part 5 Innovative business models and public-private partnerships

Introduction **C. Patermann**, Bonn/D

PPPs **M. Bohle**, EU DG Research and Innovation, Brussels/B

Biobased energy **L.-C. Hansen**, Novozymes A/S, Bagsværd/DK

SusChem: projects of several platforms in relation to issues raised in the conference e.g. plants for the future, forest related platform, etc.

P. Nagler, Evonik Industries AG, Essen/D

PPP for biobased industries **M. Mensink**, CEPI aisbl, Brussels/B

Round table **Moderator: C. Patermann**, Bonn/D

Conclusion and outlook **J. Dupont Inglis**, EuropaBio, Brussels/B

Conclusion and outlook

A. Aguilar, EU DG Research and Innovation, Brussels/B
