

Junior Scientist Zoonoses Meeting 2014

The German Research Platform for Zoonoses invites motivated doctorate students and Postdocs from all disciplines of zoonoses research to a multidisciplinary meeting in **Hanover, Germany** from **June 2nd till 4th, 2014**.

- **Discuss among Peers**

Present and discuss your research results/interests in moderated multidisciplinary discussion groups.

- **Career Sessions**

Motivational talks by established senior scientists allow for an inside view into the diversity of zoonoses research opportunities in Germany

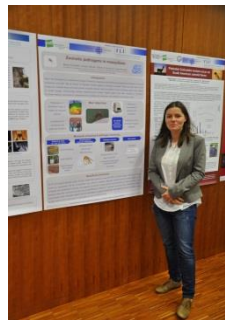

- **Keynote Talks**

Extensive lectures on a wide variety of academical, scientific and vocational subjects correlated to junior scientist research

- **Interdisciplinary Networking**

And much more!

For more details, go to www.zoonosen.net/Events

General Information

- The application is open to all doctorands and postdocs up to their 3rd year post graduation, who are members of the Research Platform
- Becoming a member is easy and free of charge! Go to www.zoonosen.net for more information

Venue Werkhof Hannover

Prerequisite for participation

- Potential participants must send in an abstract illustrating both the zoonosis and multidisciplinary aspect of their field of research.
- Entry deadline is **April 30th, 2014**.
- Participation is possible after successful evaluation of the abstract by the scientific committee

The conference is held in English and is free of charge.

Participants have to organize and pay for their travel expenses and accommodation by themselves.
