

Bar of Science

Meet Scientists - Discuss Science
www.brain.mpg.de/barofscience

Join us on June 27 and 28, 2017!

27 Johannes Letzkus

Chinask

Wir lernt unser Gehirn?

Vidhya Rangaraju

CAFUCHICO 27

How are memories stored in the brain? What fuels it?

27 Maria Tosches

CAFUCHICO

From genes to mind: the mystery of brain evolution.

Stephan Junek

milch und zucker

Im Dialog mit dem Gehirn.

27+28

Café-Restaurant-Event

Café-Restaurant-Event

Sam Reiter 27

Understanding cuttlefish camouflage.

Rogier Poorthuis „Dessauer“

Stay tuned: neuronal networks for attention. 27

27 Anne-Sophie Hafner „Dessauer“

*The amazing journey of AMPA-type glutamate receptors /
Understanding memory at the molecular level.*
