

6th MICROSYMPOSIUM on SMALL RNAs

2011 - May 16th - 18th

Dear Colleagues and Friends:

The Sixth Microsymposium will take place at IMBA, the Institute of Molecular Biotechnology of the Austrian Academy of Sciences **in May, from Monday 16th in the morning to Wednesday 18th in the evening.**

The Microsymposium features a **Workshop for PhD students**. Please send us your abstract for an oral presentation! Selected students will be invited with all expenses covered. The best presentation will be awarded.

The Microsymposium also welcomes **posters** – 70 x 100 cm. Registration deadline is April 30th. For those presenting posters no fellowships will be available.

Keynote Speakers:

David Bartel (Whitehead Institute for Biomedical Research, Cambridge, USA)

James Carrington (Center for Genome Research and Biocomputing, Oregon State University, USA)

Thomas Tuschl (The Rockefeller University, New York, USA)

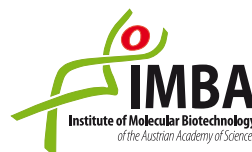

ATTENDANCE IS FREE, BUT PLEASE REGISTER ONLINE UNTIL APRIL 30th.

Organizers:

Javier Martinez & Julius Brennecke
