A cancellation must be sent to info@if-kongress.de. In the event of cancellation up to Monday, 19th of June 2023, 50% of the costs will be reimbursed or charged. After this time or failure to attend is a refund unfortunately no longer possible and the total amount of your invoice is due.

Programme Content and Changes

Programme changes with no prior notice may become necessary due to service-related, private as well as organisational needs and will be published online at www.if-kongress.de/veranstaltungen. No recourse claims are derived from this.

Privacy Policy

For your registration and the implementation of the above-called event, the collection, storage and processing of your personal data as well as recording and publication of photos and film recordings is unavoidable. This is done exclusively for the purpose of organizing and carrying out the event. Your data will only be passed on to third parties who are directly involved in the congress process and if the organizational process makes this necessary. Our company treats all personal data in accordance with the provisions of the applicable General Data Protection Regulation.

General Information

Disclaimer/Copyright

The organiser assumes no liability for accidents, personal injury, theft, additional costs due to change of the event date, location, program or similar. The duplication, passing on or other use of the conference documents is only permitted with the expressed, written consent of the organiser.

Photos/Filming

It is forbidden to photograph, film or make sound recordings during the scientific sessions without the expressed permission of the organiser. Violation may result in exclusion from further Congress. During the entire event, photos and film recordings will be made on behalf of if-kongress management gmbh (Hainbuchenstraße 47, 82024 Taufkirchen). if-kongress management gmbh is entitled to grant the rights of use to the recordings to third parties – in compliance with the General Data Protection Regulation – as long as the use serves the scientific purpose and is related to the event.
