GBM Awards Event

This year, due to the Covid-19 pandemic, the German Society for Biochemistry and Molecular Biology (GBM e.V.) will award several prizes in a virtual event. We are very pleased to welcome Prof. Patrick Cramer as Otto Warburg Award winner and Prof. Christian Drosten as Eduard Buchner Award winner. We also award the Bayer Pharmaceuticals PhD Prize to Dr. Alexander Hauser and Dr. Michael Ameisemeier.

We cordially invite you to join us on March 26, 2021!

Please register with your name and email address until March 24th at the latest at the following website:

<https://gbm-online.de/gbm-awards-event.html>

We will send you the corresponding participation link shortly before the event.

We are looking forward to exciting presentations on highly topical subjects!

The event will start at 1 p.m. (CET)
