transregional, national**World Health Summit 2023 with more than 20 ministers from around the world****The world's leading global health conference starts on October 15th in Berlin**

Climate change and health, pandemic prevention, digital technologies, the role of the G7 and G20 in global health, 75 years of WHO – issues like these are topping the agenda at the World Health Summit 2023 from Oct. 15-17 in Berlin. The three-day conference is held under the theme “A Defining Year for Global Health Action”, setting the agenda for a healthier future for all. More than 300 speakers from all regions of the world are expected, among them over 20 ministers and numerous government representatives, as well as representatives from academia, industry, politics, civil society, and international organizations.

Journalists can apply for on-site accreditation until October 11 at
<https://www.worldhealthsummit.org/media/accreditation.html>.
Please find all details below.

Among the confirmed speakers for the opening ceremony on Sunday, October 15 at 6:00 PM CEST, are: German Minister of Health Karl Lauterbach, French Minister of Health Aurélien Rousseau, Bharati Pravin Pawar, India's Minister of State of Health & Family Welfare, Youth Envoy to the President of the UN 27th Climate Change Conference (COP27) Omnia El Omrani, Ayoade Alakija, medical doctor from Nigeria and WHO Special Envoy, as well as WHO Director-General Tedros Adhanom Ghebreyesus, who will join live digitally.

The World Health Summit is the world's leading international strategic forum on global health. The WHS 2023 is once again held under the patronage of the German Chancellor Olaf Scholz, the French President Emmanuel Macron, and the Director-General of the World Health Organization (WHO), Tedros Adhanom Ghebreyesus. The World Health Summit strengthens collaboration and open dialogue guided by science, fosters global health as a key political issue and promotes the global health debate in the spirit of the UN Sustainable Development Goals. President of the World Health Summit is Axel R. Pries, International President 2023 is Adnan Hyder, Senior Associate Dean for Research, Milken Institute School of Public Health at George Washington University, USA.
